Occupational Therapists

Opportunities in BC and across Canada 

Are you eager to develop professionally and grow your clinical competencies?
Then we are looking for you!

The Individual

As an Occupational Therapist with Centric Health, you will have many opportunities to challenge yourself through applying a broad range of skills to your work with patients and clients. You will work in an interdisciplinary team with nurses, physicians, physiotherapists, dieticians, pharmacists and many more.

Successful Candidates will have a:

- Fully registered Occupational Therapists or in process of obtaining designations
- Bachelors or Master's Degree in Occupational Therapy
- Registration with the Provincial Association of Occupational Therapists

The Role

- Functional Capacity Evaluations
- Interdisciplinary assessments and treatment planning
- Job demands analyses
- Pre-employment assessments
- Ergonomic assessments
- Community based assessments (may include home visits to assess ADLs)
- Educational sessions/presentations
- Case management
- Cognitive assessment and treatment

Mentorship programs, professional development, flexible compensation and professional autonomy are available of the Centric Health experience.

To apply please email your resume to: careers@centrichealth.ca with "UBC OT" in the subject line or contact the Clinical Director wayne.tang@lifemark.ca | (604) 999-7095
