January 14, 2016

Occupational Therapy Position (Full Time, 1 Year Term)

An exciting opportunity exists for a full time Occupational Therapy position with the Child Development Centre of Prince George and District. The position is for a one year term, set to start on April 1, 2016. You will have the opportunity to work with a highly skilled, knowledgeable and experienced team of professionals.

Reporting to the Chief Occupational Therapist, the Staff Occupational Therapist will provide services to infants and children (birth to school entry) as part of a multidisciplinary team. The Occupational Therapist has the opportunity to provide services in Prince George and to surrounding communities. We follow a family-centred philosophy and practice from a community-based perspective.

The successful candidate will be registered with the College of Occupational Therapists of British Columbia, will be eligible for membership with the Canadian Association of Occupational Therapists and will have graduated from an Occupational Therapy Program from a recognized post-secondary institution. You must have an acceptable criminal records check and hold a valid British Columbia driver's license.

We offer a competitive salary and excellent benefits as per the Health Science Professionals Collective Agreement.

Prince George is a vibrant, four-season city of approximately population of 80,000 people. Opportunities exist for those who enjoy the outdoors as well as the arts. Prince George is the home of the highest rated small university in Western Canada – the University of Northern BC - according to the Maclean's poll.

Interested applicants should apply to the Child Development Centre of Prince George and District Association, 1687 Strathcona Avenue, Prince George, BC V2L 4E7, attention Pat Hamilton, Chief Occupational Therapist, or via e-mail at path@cdcpg.org.
