

Where: Monarch House
Position: Occupational Therapist
City, Province: Abbotsford, BC
TERM: Full time/Part time

Occupational Therapist Job Description:

The role of the Occupational Therapist is to enable individuals to participate, to their fullest level, in activities that occupy their daily lives. This generally encompasses six key domains in the Autism field; that of Fine and Gross motor skills, Self care skills, Occupational/Vocational/Educational activities, Social/Emotional Wellness and Play/Leisure Skills. The Occupational Therapist looks at the client's individual's skills and development, and the environment in which those skills are being used. The role of the Occupational Therapist at Monarch House is to work as part of an integrated multidisciplinary team to assess, recommend interventions, and treat issues in these four domains.

Qualifications (guidelines for professional practice):

- Degree in Occupational Therapy (Bachelor's degree specific to OT or Masters Level)
- Autism Spectrum Disorder specific coursework, training or workshops
- Experience with the delivery of Occupational Therapy services to clients with Autism Spectrum Disorders or other developmental disabilities
- Appropriate college membership and other professional associations related to the field.
- Experience with gross motor room equipment
- Experience with sensory regulation
- Strong interpersonal and communication skills with a variety of age groups.

About CBI Health Group:

CBI Health Group is Canada's largest provider of integrated community healthcare. For over 40 years, we have remained totally committed to improving the health and enriching the lives of Canadians.

What sets us apart is our ability to work as a unified network dedicated to the ongoing learning that allows us to foster best practices, improve access to care and create better results for our patients. We organize our teams and services to ensure the right professionals and caregivers provide the right service, at the right time, in the right place.

In over 250 facilities, our services are provided by a dedicated team of more than 11,000 administrators, support staff and caregivers that include physiotherapists, occupational therapists, registered massage therapists, kinesiologists, chiropractors, speech-language pathologists, psychologists, physicians, nurses, dietitians and behaviour therapists.

The CBI group of companies includes CBI Health Centres, CBI Home Health, We Care Home Health Services, Monarch House, CBI Workplace Solutions, and CBI Assessment Services. Our expanding transitional and residential community care network now numbers more than 60 homes nationwide.

At CBI, our people really care and believe that by working together, we can aim higher and make great things happen every day.
