

OT Works!

Occupational Therapist – Clinical Leader

OT Works! has an opportunity for an occupational therapist who is looking for a meaningful change in their practice. We are looking for an experienced OT to lead and inspire others. You will work closely with the Clinical Director to develop standards of practice, mentor therapists, and lead by example.

In this full-time position, you will have management responsibilities and a reduced caseload of 5 to 7 clients. At OT Works! we care about the people we serve and the people working alongside. You will have a manageable schedule for your clients, and time to support our team and help them do their best work.

As an Occupational Therapist – Clinical Leader with OT Works! you will help others and make an impact that matters.
