
*******Occupational Therapist - Relocation to Vancouver/Signing Bonus/Benefits*******

New Graduates and Experienced Therapist's Welcome - Full Time/Part Time

(Paid Training is Available for New Graduates)

Excellent opportunity for both experienced therapists and new graduates to gain skills and experience in community-based rehabilitation and to expand their roles in Occupational Therapy settings. Our areas of practice include clients with soft tissue injuries, complex orthopedic injuries, mental health conditions and head injuries. Our client population typically consists of motor vehicle accident victims, veterans and various employers requiring consultation.

In this position you will:

- Provide disability management services
- Perform musculoskeletal, psychosocial, cognitive and functional assessments
- Perform home safety and home modification assessments
- Design and implement Occupational Therapy programs based on best practice in the areas of physical, cognitive and psychosocial recovery
- Utilize and supervise Rehabilitation Assistants or Kinesiologist's during implementation of services
- Provide pain management, PTSD management and concussion management services
- Liaise with doctors, various health disciplines, employers and insurance adjusters
- Perform worksite-based services including job site visits, ergonomic assessments and return to work planning
- Formulate reports recommending services based on assessment findings
- Receive continual mentorship and clinical guidance from expert level clinicians with several years of experience

Candidate must have current full registration with the College of Occupational Therapists of British Columbia (COTBC), professional liability insurance and a valid driver's license. OT mentoring available during provisional period for new graduates. Employment incentive up to \$2500 available for the successful candidate. Our company provides a benefit plan along with an annual educational allowance of up to \$1000.00. We offer competitive rates for compensation of services based on years of experience.

If you feel you are well suited for this position, please contact the Manager of Recovery Services at 778-278-1179 or email info@infinityhealth.ca.
