

Vocational Rehabilitation Consultant

Job description

humanworks is currently seeking an individual with qualifications in one or more of the following areas: **Occupational Therapy, Vocational Rehabilitation, or Disability Management**, to join our team.

This **full-time** position will involve working with teachers through the BCTF Health and Wellness Program, in order to support teachers, liaise with key stakeholders, and assist with return to work and accommodation processes. There will also be opportunities to perform ergonomic, functional, and cognitive assessments and interventions.

At humanworks our emphasis is on improving the wellness of our clients, while supporting our team to grow and reach both their professional and personal goals. We are looking for someone who brings the energy and commitment that makes humanworks great.

Responsibilities

- Comprehensive assessments of clients (including but not limited to client presentation; functional, psychosocial, mental health and employment barriers; return to work potential, etc.)
- Development of cost effective and rigorous rehabilitation and return to work plans
- Collaboration with various stakeholders, including employers and health care providers, to develop treatment and return to work plans
- Travel to and from appointments
- Complete, thorough, and timely report writing

Qualifications

- A bachelor's or master's degree in a related discipline such as occupational therapy
- Registration with the relevant body or eligibility for such
- Experience in medical case management and/or vocational rehabilitation is an asset
New graduates from occupational therapy and vocational rehabilitation programs are encouraged to apply for this position.

Skills and Requirements:

- Ability to work independently and as part of a team
- Excellent verbal and written communication skills (specifically to write plans and reports)
- Valid driver's license, vehicle, and ability to travel
- Ability to work from a home-based office (i.e. laptop, faxing/ scanning/ printing capabilities)
- Experience working with common computer applications
- Superior time management and organizational skills to manage competing priorities
- Ability to establish and maintain objective and professional/collaborative relationships

How to Apply

Please visit our website at www.humanworks.ca and review our LinkedIn profile to learn more about our company. If you are interested in this position, email your cover letter and resume to **Meetu Dhaliwal** at meetu@humanworks.ca. Only those considered will be contacted.
