

Province	University	Course Number	Course Name
Alberta	Athabasca University	BIOL 230	Human Physiology
Alberta	Athabasca University	BIOL 235	Human Anatomy & Physiology
Alberta	Canadian University College	BIOL 111	Anatomy and Physiology
Alberta	Medicine Hat College	PHED 206	Functional Anatomy
Alberta	Mount Royal University	ANAT 105	Human Anatomy
Alberta	Mount Royal University	BIOL 1203	Human Anatomy
Alberta	Mount Royal University	BIOL 1220	Anatomy & Physiology I
Alberta	Northern Alberta Institute of Technology	SPFT 120	Human Anatomy
Alberta	Southern Alberta Institute of Technology	ANPH 210	Human Anatomy & Physiology
Alberta	University of Alberta	ANAT 200	Human Morphology
Alberta	University of Alberta	PEDS 100	Introduction to Structural Human Anatomy
Alberta	University of Alberta	PHYSL 210	Introduction to Human Physiology
Alberta	University of Calgary	BIOL 305	The Human Organism
Alberta	University of Calgary	ZOOL 361	Introduction to Human Physiology I
British Columbia	British Columbia Institute of Technology	BHSC 7601	Sectional Anatomy of the Abdomen & Pelvis
British Columbia	British Columbia Institute of Technology	BHSC 7602	Sectional Anatomy of the Thorax & Neck
British Columbia	British Columbia Institute of Technology	BHSC 7603	Sectional Anatomy of the Head
British Columbia	British Columbia Institute of Technology	BHSC 7604	Sectional Anatomy of the Musculoskeletal System
British Columbia	College of New Caledonia	BIO 111	Human Anatomy and Physiology I
British Columbia	Douglas College	BIOL 1105 + BIOL 1205	1105: Human Anatomy & Physiology I 1205: Human Anatomy & Physiology II
British Columbia	Kwantlen Polytechnic University	BIOL 1160	Anatomy & Physiology I
British Columbia	Selkirk College	KPE 100	Introduction to Human Anatomy
British Columbia	Simon Fraser University	KIN 461	Physiological Aspects of Aging
British Columbia	Thompson Rivers University	BIOL 159 + 169	159: Human Biology: Anatomy & Physiology I 169: Human Biology: Anatomy & Physiology II
British Columbia	Thompson Rivers University	HLTH 1121	Foundational Human Anatomy - Physiology for Health Promotion

British Columbia	Trinity Western University	BIOL 241 + 242	241: Human Anatomy & Physiology I 242: Human Anatomy & Physiology II
British Columbia	University of British Columbia	BIOL 155	Human Biology: Physiology and Introductory Anatomy
British Columbia	University of British Columbia	CAPS 390 (formerly ANAT 390)	Microscopic Human Anatomy
British Columbia	University of the Fraser Valley	HSC 110 + 112	110: Human Anatomy & Physiology I 112: Human Anatomy & Physiology II
British Columbia	University of Victoria	BIOL 190A + 190B	190A: General Biology I 190B: General Biology II
Manitoba	Red River College	HEAL 1006	Human Anatomy & Physiology I
New Brunswick	University of New Brunswick	BIOL 1711	Human Anatomy I
New Brunswick	University of New Brunswick	BIOL 2753	Introduction to Human Anatomy
New Brunswick	University of New Brunswick	BIOL 2812	Human Anatomy II
Newfoundland	Memorial University of Newfoundland	HKR 2310	Human Anatomy
Newfoundland	Memorial University of Newfoundland	HKR 2311	Human Anatomy & Physiology
Nova Scotia	St. Francis Xavier University	BIOL 251 + 252	251: Human Anatomy & Physiology I 252: Human Anatomy & Physiology II
Ontario	Brock University	PEKN 2P04	Musculoskeletal Anatomy
Ontario	Laurentian University	PHED 1506	Human Anatomy & Kinesiology I
Ontario	Laurentian University	PHED 2506 + 2507	2506: Human Physiology I 2507: Human Physiology I
Ontario	McMaster University	KIN 1A07	Human Anatomy & Physiology
Ontario	Queen's University	ANAT 100	Anatomy of the Human Body
Ontario	University of Ottawa	APA 3311	Musculoskeletal Biomechanics
Ontario	University of Manitoba	BIOL 1410	Anatomy of the Human Body
Ontario	University of Toronto	ANA 126	Elementary Gross Human Anatomy
Ontario	University of Toronto	BGBY 33H3	Development & Anatomy
Ontario	University of Toronto	BIOL 2023	Fundamentals of Human Anatomy and Physiology
Ontario	University of Western Ontario	HS 333A/B	Anatomy of the Human Body II
Ontario	York University	KINE 2031	Human Anatomy
Quebec	Concordia University	BIOL 200	Fundamentals of Human Biology
Quebec	Concordia University	DANC 350	Practical Anatomy for the Moving Body
Quebec	McGill University	ANAT 214	Systemic Anatomy
Quebec	McGill University	EDKP 293	Anatomy & Physiology

Saskatchewan	University of Regina	KHS 267 + 268	267: Human Physiology I 268: Human Physiology II
Saskatchewan	University of Saskatchewan	ACB 210	Basic Human Anatomy
Saskatchewan	University of Saskatchewan	ANAT 221	Anatomy & Cell Biology
Saskatchewan	University of Saskatchewan	ACB 310	Basic Human Anatomy
Province	University	Course Number	Course Name
USA (California)	College of the Siskiyous	BIO 12B	Human Physiology
USA (California)	East Los Angeles College	ANATOMY 1	Introduction to Human Anatomy
USA (California)	University of California-Berkeley	X104 + X108	104: General Human Anatomy I 108: General Human Anatomy II
USA (California)	University of California-Irvine	BIO 11	Human Anatomy
USA (Florida)	Broward College	BSC 1085 + 1086	1085: Human Anatomy & Physiology I 1086: Human Anatomy & Physiology II
USA (Florida)	Gulf Coast State College	BSC 2085 + 2086	2085: Human Anatomy & Physiology I 2086: Human Anatomy & Physiology II
USA (Iowa)	Dordt College	BIOL 201 + 206	201: Human Anatomy & Physiology I 206: Human Anatomy & Physiology II
USA (Milwaukee)	University of Milwaukee	BIO SCI 202	Anatomy & Physiology I
USA (North Carolina)	University of North Carolina-Chapel Hill	EXSS 175	Human Anatomy II
USA (New York)	Manhattan Community College	BIO 425 + 426	425: Anatomy & Physiology I 426: Anatomy & Physiology II
USA (San Francisco)	City College of San Francisco	ANAT 25	General Human Anatomy
USA (San Francisco)	San Francisco State University	BIOL 328	Human Anatomy
USA (West Virginia)	West Virginia University College	NBAN 205 + 206	205: Introduction to Human Anatomy I 206: Introduction to Human Anatomy II
USA (Washington)	Skagit Valley Community College	BIOL 241 + 242	241: Human Anatomy & Physiology I 242: Human Anatomy & Physiology II
USA (Wisconsin)	Madison Area Technical College	AP 1 + 2	1: Anatomy & Physiology I 2: Anatomy & Physiology II
